

Rocky Mountain Chapter Chile-in' at the Crossroads Retreat 15-17 June 2018 New Mexico Clay Albuquerque, NM

Another chance to learn and share. We had a good turnout and great participation. In addition to the Educational Showcase Retreat sharing of tips and techniques, we also had two Duncan U classes, taught by Larry Knight and Musette Young, plus two additional classes using local clay from our hosts at New Mexico Clay, and In-Service events at Coyote Clay and New Mexico Clay.

The weekend started Friday with an In-Service at Coyote Clay. We were given a tour of the facilities, including a look at a room packed full of glaze samples.

The welcome reception at the Fairfield Inn was well attended ... a good chance to say hello and visit with everyone before the *intense* activities of Saturday and Sunday.

This event would not have been possible without the fabulous support of Brant Palley and the rest of the team at New Mexico Clay. Brant is a great promoter of ceramics, hosting Duncan U classes, an annual open house in May, and a distributor of Duncan products.

And, now, without further words, we'll let some pictures of the classes, sharing, and socializing do the talking.
